

# GEORGETOWN TO THE FORE AT THE RICHMOND MEET

## KERCHEVAL WINS BURNS HANDICAP

Nealon, Heavily Backed by the Public, Fails to Run in the Money.

## LOGISTILLA'S GREAT RACE

Carrying Top Weight, 133 Pounds, the Plucky Mare Takes the Place in a Furious Drive.

OAKLAND, Cal., Jan. 26.—The \$10,000 Burns Handicap at Oakland today was won by Kercheval, the only unknown quantity in the race, and was therefore a disappointment to local racegoers. Kercheval had been prepared for the classic event at Ascot, and with his jockey, Koerner, was brought here especially for the big race.

Considering that she was carrying top weight, 133 pounds, Logistilla really ran the most remarkable race, as it was going very strongly at the finish, and took the place by two lengths from the peacemaker, Sir Edward. Nealon, Proper, Dr. Leggo, and Borghesi, of whom so much was expected, all ran disappointingly.

Nealon had been carefully pointed by Boots Durnell for the race, and carried the bulk of the money. He was always favorite, opening at 3 to 1 and closing at 11 to 5. The Jennings entry, Proper and Blondy, was second choice, and Hildreth's entry, Logistilla and Rapid Water, third choice.

Kercheval closed at 7 to 1.

Nealon broke first, but Sir Edward immediately took the lead. Proper, Kercheval and Kercheval third. In the shift at the first turn Sir Edward had two lengths the best of it with Rapid Water in second place, and Kercheval still third under wraps. This position was retained until just before the turn for home. When Sir Edward turned a bit wide into the stretch, Koerner shot Kercheval in between him and Rapid Water and was soon well on to the good. Logistilla began to move up at this time, and in a furious stretch run passed everything but the flying Kercheval, who won easily.

## Favorite Gets Star Event at New Orleans

NEW ORLEANS, Jan. 26.—The Merchants' Handicap, fourth on the card at one mile, was the feature today. It was spoiled by scratches. Tilling, the favorite, won from James Redick, who was disqualified. The track was muddy.

## ACTING G. W. U. TRACK MANAGER

"JACK" BROOKS, Acting as Manager of the Hatchette Runners, Who Took the Team to Richmond Last Night.

## DISTRICT ATHLETES SWEEP THE BOARDS

Washington Youngsters Finish in Front in Richmond Indoor Track Meet.

RICHMOND, Va., Jan. 26.—Washington carried off the honors at the Richmond collegiate meet tonight, but the meet was over too late to tell by exactly how much.

Coils, of the Newark Y. M. C. A., took the half-mile from Lorado, but that was the only disappointing incident. Canale, of the Catholic University, sprung a surprise by capturing the 50-yard novice, but the Georgetown defeat of Richmond College in the relay was the greatest race of the night, principally because of the game struggle of the Richmonders.

Cohen Takes the Lead.

Cohen got a slight start on Richardson in the first quarter by a fierce rush. Sullivan added three or four yards over Southern. Luck fell, and O'Boyle gained one-fourth of a lap. Then Cohen's grand sprint, when he made up twenty yards and ran so strongly that he lost by only ten or fifteen yards.

The Catholic University ran away with the Richmond Howitzers in their relay. Each man gained until at the end the Catholics were three-quarters of a lap ahead.

Heffernan, the Georgetown shot-putter, had an easy time in the shot-put, and won without trying.

George Washington went after the big point trophy cup in the pole vault. Sterrett had no trouble getting first, while Forsythe, who had not vaulted for years, was third, and the exhausted Lorado was fourth. The victory of Kemper, the Central High school man, in the 50-yard intercollegiate, was glad news to the Washington crowd, as he looked a sure winner, and did mighty deeds in the heats and semi-finals.

George Washington Looks Like Winner.

As far as can be learned tonight, George Washington will probably get the point trophy. It did not get a run in the relays because at the last minute Richmond College was matched with Georgetown to please the Richmond public, and the Newport News team, which was then dug up as a competitor for George Washington University, was put out of business by an accident to one of its men.

The University of Virginia did not send the big team expected and was not in the relays. One of the encouraging features was the active and successful part taken in the meet by the Woodbury Forest, Washington School for Boys, Army and Navy Preps, the Washington high schools, and other scholastic institutions. Some of the work done by the youngsters was of a very high order and was fully as creditable as the best performances of the seniors.

The Army and Navy Preps beat the Washington School for Boys in one of the most exciting relays imaginable.

Burch and Kemper alternated in leading in the 400-yard intercollegiate until the last lap when J. V. Granger, of Woodbury Forest, leaped to the front and by a brilliant sprint unexpectedly beat Kemper by an inch or two.

Granger's work in getting out of a pocket on the final lap was remarkably good and marked him an unusually heady youngster.

Disqualification in Mile.

The open mile run was a desperate affair in which Coote, of the Newark Y. M. C. A., beat Lorado by an inch. It was marked by a bad foul, Haskins, of Pennsylvania, putting Herring back and forth across the track in dangerous manner. Referee Grant suspended Haskins for the meeting, and until his case is reported to the A. A. U. authorities and Herring was disqualified.

The finish of the 50-yard scholastic was heart-breaking. Kemper, Central High, was an easy winner, from Pagan, of Army and Navy Preps., but picking the third man was a job delaying the judges five minutes. Burch, Central High, was so close up that Dr. Grant, the referee, had to be called in to settle the point. R. W. Burke, Washington school, was also in the bunch, and one judge wanted to make him second. He got fourth. It was a hard race, and Washington swept the board.

The building was very cold, and the attendance was smaller than expected, but Dr. Joe Reilly said he was well pleased with the meet.

The Summaries.

50-yard novice—First heat, S. L. Burch, Central High, of Washington, won; T. A. Canale, Catholic University, second.

Second heat—W. A. Powell, Randolph-Macon, won; James McCartney, Washington School for Boys, second.

## GEORGE WASHINGTON BARELY LOSES GAME

Virginia Defeats Hatchettes in Well-Played Basketball Contest.

## WORK OF RICE THE FEATURE

Washington Boy Makes Thirteen of the Local Team's Points by Accurate Basket Shooting.

The George Washington University basketball team played its initial game of the season in the Fayerweather Gymnasium, at the university, tonight, and barely lost the contest, Virginia winning 15 to 17.

It was the best exhibition ever seen here, the work of both teams being fast and clean from start to finish. The visitors showed the result of good training. The Virginia players were nervous at the outset, and before they could settle down, George Washington had gotten a nice lead of four points—thanks to the accurate shooting of Rice and Eichelberger. Spurred on by the spectators, the local five took on a brace, and by continually hammering at it, succeeded in tying the score at the end of the first half, 11 to 11.

Teams Evenly Matched.

So evenly were the two teams matched that the second half also proved nip and tuck, first one side being in the lead and then the other. The winning point was made by Hawkins, a Baltimore boy, after a foul had been called on the visitors. Three fouls were then called in succession on Virginia. In the last two minutes of play, but in each instance Rice failed to land the ball in the net.

Rice, at right forward, proved the star for George Washington. His throwing of goals was remarkable, he alone scored a total of thirteen points. Eichelberger and Whitting also landed difficult goals. The splendid team work of the George Washington five was apparent throughout, while the individual playing of the trio above named was liberally applauded by the spectators. The line-up:

Virginia. Positions. G. W. H. S. Hawkins, Forward. Eichelberger, Forward. Whitting, Center. Prosser, Guard. Williams, Guard. Goals from field—Grinnalls 2, Hawkins 2, Atkinson 2, Rice 4, Eichelberger, Whitting 1. Goals from foul—Hawkins 1, Grinnalls 1, Rice 1, Eichelberger 1, Whitting 1. Referee—Lanning (Virginia). Umpire—Robey (George Washington). Timekeepers—Johnson and Wood. Scorers—Rice and Warner. Twenty-minute halves.

## INVITATIONS OUT FOR TOME GAMES

Port Deposit Institute Already Planning for Its Annual Field and Track Games Next Spring.

Invitations are out for the fifth annual interscholastic field and track meet, to be held at Tome on Saturday, May 11.

The annual events, 100-yard dash, 220-yard dash, 400-yard run, 800-yard run, mile run, 150-yard hurdles, 250-yard hurdles, high jump, broad jump, pole vault, shot put, and hammer throw are run off, and in addition three junior events, 100-yard dash, 220-yard dash, and 800-yard run, are of the program.

Gold, silver, and bronze medals are given for each event, and a loving cup to the competitor scoring the greatest number of points.

Of the previous meets two have been won by the Baltimore City College, one by the Central High School of Washington, and one by the Central High school of Philadelphia. There is already a stirring contest between the Central High School of Washington and the Baltimore City College, each school putting forth its best talent in the hope of securing the handsome silk banner which goes to the school winning the meet.

## JOHNSON AND PULLIAM TO DRAW UP SCHEDULES

NEW YORK, Jan. 26.—Ban Johnson, president of the American League, will meet President Harry Pulliam, of the National League, at the Hollenden House, Cleveland, Monday, for the purpose of drawing up the schedules of the two organizations.

No difficulty is anticipated by Johnson in the matter of arranging dates, as the length of the season and the opening date have been decided upon. All that remains is to dovetail the games so that there will be few conflicting dates.

AUTOISTS WILL HOLD HILL-CLIMBING RACE

The motor car drivers who were to race from Baltimore to Washington at the close of the automobile show in Baltimore Saturday night, were compelled to abandon the race on account of the bad weather.

## Saengers Increase Lead In the District League

Oriental Trailing in Second Place, Almost 200 Points Behind—Fat Men Are Third, Only Three Games Behind.

Saengerbund is again almost two hundred points ahead of the Orientals for the leadership of the District Bowling League. Oriental, by a great spurt pulled up within striking distance of the leaders, but during the past month Saengers cleaned up eleven of its twelve games, dropping one to the Garrisons. The latter aggregation went one better with the Orientals, taking two games, and the Market House team also crimped the percentage of the runners-up by taking a brace of games. This pulls the Orientals down close to the Fat Men, who are only three games behind.

Krauss Still Best Individual.

Krauss hammered the maples for three big sets, two of them 65 and 68, respectively, thus increasing his percentage one point. Allison dropped to fourth place, Miller and Burdine, also of One Saengers, being tied for second with 151.

Bruce Bielaski, of the Garrisons, helped to win many of its games with good scoring that helped to pull him up from seventh to second place on the team.

Alison and W. Miller ran 240 games, the second highest made in the league this season, Brown's 237 being the top notcher.

The following averages include Wednesday's game.
